

Mockup Review Notes

11/9/22

Creative Director: Jen Kim

Designer/Developer: Chelsea Yuan

Comments:

- Stick with Mockup A
- excellent design, colors, typeface, layout etc.
- the overall tone and the design elements are exactly what I wanted. (Keep all of them)
- especially love the neon light elements in the navigation and the section bars. They match the background image very well and add a retro and funky feeling of the Delmar Loop.

Discussed Revisions:

- revisions to the logo?
- more photos
- preview section (images) for the other pages at the bottom
